

Acrylic skirts add a finished appearance to MTI's "Pre-Leveled Frame and Foam Base" system*.

They are available in 3 basic designs:

- Raised Panel reflects a more traditional design.
- Euro-Style integrates well with settings that are transitional or contemporary.
- Flat Panel Contemporary offers clean, seamless design.

For pricing see p. C-27 as well as individual tub specification sheets.

***IMPORTANT: Acrylic skirting is no longer sold separately and must be ordered as a "Pre-Leveled Frame and Foam Base with Skirting" option. See individual tub specification sheets for available styles.**

Please indicate drain location in relation to tub skirting when ordering.
